

## Become a Dental Assistant at HCHC!!!

**Dental Care** is a vital part of a patient's overall health! **Dental assisting** is a vibrant, growing field with a **high demand** and **competitive pay scale**, and is the ideal entry level to the dental profession. This is a unique opportunity for people to become **trained** and **licensed** in a professional capacity **without paying tuition**. Hilltown Community Health Center, with sites in Amherst, Huntington and Worthington, has a trainer on-site who can help **you** become a **dental assistant**.

### **As a dental assistant you will be trained to:**

- \*take x-rays
- \*sterilize equipment
- \*support the dentist
- \*work directly with patients
- \*work with a dedicated highly trained crew!

**We offer:** training, competitive salaries, excellent benefits, paid vacation and sick leave, and a chance to be a part of team that helps the folks of Western Massachusetts thrive!
